

Revelation 13:16-18 KJV

*"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six."*

# WARNING

This will affect you -like it or not

The root cause of the current build-up of American forces in Europe is now visible. The problem is that the **International Bankers** want total Global control of all creation and issue of "currency" AND TRANSACTIONS IN THE WORLD. Thus the Banks will be the only ones with the power to create "money" **A Global Central Bank and Currency'**

out of thin air and issue or lend it to you - at interest of course!. It should be noted that Bank notes are only promissory

notes (tokens or beads) which are supposed to be backed and redeemable by something of worth, traditionally with gold or silver - which will no longer be the case once this system is instituted. To achieve this as a GLOBAL UNIVERSAL SYSTEM , the global bankers (**whose only interest is money**) have deemed it is necessary to do whatever it takes to make **EVERY** country in the world comply!

Only four countries in the world refuse to accept this system - **Russia, China, Iran & Syria**. The current wars and build-up of tanks and equipment by the U.S.A in Europe and

the middle east is to make these four Nations conform to the banking pirates goal or if they refuse - to ***bomb them into submission***. When this is achieved, a **Universal Global Currency** will be implemented worldwide. That currency will be electronic and for any person to be able to participate

**VeriChip Acquires eXI Wireless A** Verichip implanted in the forehead would emit a literal radio frequency halo.

in buying and selling, it will be conditional on receiving an implanted micro-chip in the right hand or forehead!!! Transactions will then be able to be processed by the implanted chip, **with associated scanning radiation**, or the credit card or the number of the card.

## Is RFID ready for a reinvention?

RFID can automatically capture item-level inventory data without extra handling, leading to improved visibility for many types of goods. Here's a look at how companies are looking to make the most of that visibility.

There is nothing new about this. For the last 2000 years this precise warning concerning what is now coming to pass has been in the Bible. For 2000 years generations have wondered what these things meant.
