While this article only addresses dealings between the Vatican and Israel, the complete message, which is available on DVD, also examines the Vatican's influence over, and purpose for, America.

GARY KAH

During our trip to Israel last summer, my wife and I met with a Christian researcher in the "Old City" of Jerusalem located in East Jerusalem. We spent a couple of hours with him at the Christ Church cafe, which is just a short distance from the Jaffa Gate. This researcher, who we will call Hans, gives private, unadvertised tours of Jerusalem showing, among other things, the influence of Freemasonry in that city. Through our new friend we learned and saw some incredible things generally unknown to the public... Hans pointed out some interesting facts

about some of the traditional tourist sites in the Old City. For example, those of you who have been in Jerusalem have probably visited a place called The Upper Room, where Jesus supposedly had the Last Supper with His disciples... Well, Hans shared with us that during the crusades of the Middle Ages, the order known as the Knights of the Temple, or the Knights Templar, used this site as one of their main outposts in Jerusalem. It's only a few blocks away from the Temple Mount where Solomon/Herod's Temple once stood and from which the order derived its name so it makes perfect sense...

Now, who were the Knights Templar? They were the most powerful order of the Roman Catholic Church from around 1100 AD to around the year 1310 AD. During that time, they led numerous pilgrimages (and crusades) to the Middle East. They grew to be very powerful. Over the 200 year period of their existence they became the bankers of Europe. At one point they were under the special protection of the Pope.

I failed to mention that the Masonic Order of today is descended from the Knights of the Temple. That's not a secret. You can find this information in most Masonic history books. They will point out the fact that their order is a continuation of that medieval order. They've borrowed many of its beliefs. While some of the degree structure has changed, much of it has been left intact. But what most people are not aware of is that the Templars were also an order of the Roman Catholic Church.

The purpose of the Templar's existence during the Middle Ages was to capture Jerusalem, control it and dominate it, on behalf of the Vatican. This goal of complete control over Jerusalem is still the pursuit, I believe, of the Catholic Church to this day. The Vatican wants to regain what it once held. It needs to possess Jerusalem and the Temple Mount to usher in its New World Order.

I recently came across a fascinating article which documents the Vatican's attempts during the last 15 years to recapture control of Jerusalem.

If this doesn't shock you, I don't know what will! (It is incredible what is going on and that the media, in general, isn't telling us about. Here and there we'll catch bits and pieces of this, but as far as putting all of this together and asking the right questions, it is simply not happening through our media.)

The article is titled

The Vatican Agenda: How Does the Vatican View the Legitimacy of Israel's Claims to Jerusalem?

It is written by Joel Bainerman, who is a Jewish investigative journalist based in Israel. I will be quoting and paraphrasing Joel at times, along with inserting some of my own thoughts.

Joel states that most Israelis have probably not thought very much about what the Roman Catholic Church or the Vatican thinks about "end of days" theology.

He writes;

The institution of "The Vatican" is not understood by Israelis and Jews. The conventional wisdom you get from the spokespersons in Israeli government ministries and the conventional Israeli media is "both sides have great intentions to do good" and that's about it. When it comes to Israel's bilateral affairs, nothing much gets investigated by the Israeli media. Thus a secret deal could be done between the Vatican and the State of Israel and nobody in Israel would ever find out about it.

In fact, that is exactly what has happened. [The following information] will provide the background to that deal, as well as what the Vatican's

EDITORIAL

Wake up believers.

Greetings to you all
in the Name
of Christ Jesus our Lord.

"Lest Satan should get an advantage of us: for we are not ignorant of his devices." 2 Cor. 2:11.

Do not let Satan get an advantage of you and your family through ignorance of his devices. Too many Christians are retreating into their Bibles, when they should be studying both the Bible and world and local events.

I am aware of both urgency and a desire for all this turmoil on the earth to be gone, and the prayer "**Thy Kingdom come, Thy will be done on earth as it is in Heaven**" has great poignancy to my heart. One day it will be so, and babies can be born without being slaughtered cruelly before they can wail their first cry! The world will love their Creator, bombs will not blow women and children to bits, the citizens of earth will laugh and play in God's beautiful sunshine, and the saints of the Church Age will love one another perfectly, helping Jesus rule with love and justice at last.

CONTEMPLATIVE PRAYER.

ALL books on contemplative prayer talk about deep breathing, which is very dangerous. The Catholic Mystics have always used contemplative "prayer" as a spiritual exercise. Now we are seeing The Emerging Church Movement using these exercises, also Rick Warren's Purpose Driven life has entered this mystic realm, filled with demons and deception! Here are some interesting details:

"*Ignatian Contemplation: A* 

Cont'd from p.24

Revelation 13 and 14.]

Joel Bainerman considers himself "a Jewish alternative writer and thinker" He's a Talmudic Jew who is actually opposed to Christianity and says he would trade his religion in for Islam before he'd become a Christian. Yet, I wonder, does he view Christianity as being synonymous with Roman Catholicism, which is a false religion to true Christians? If so, no wonder he believes as he does. Nonetheless, his research and expose on the plans of the Vatican have done us all a great favor. Pray for Joel that the truth and love of Christ would be revealed to him in a very clear, direct and powerful way! (His website is www.joelbainerman.com)

form of prayer used by Saint Ignatius of Loyola incorporating the imagination. There are a number of different exercises associated with Ignatian contemplation, but there are two I teach frequently. The first is connected to sacred reading, and simply put is visualizing the situation of a Biblical text with you in it...."

What about the LABYRINTH?

"The point of a labyrinth is to journey to the center of a spiral pattern traced on the ground and journey back out again. While walking through the pathway in the labyrinth, participants are encouraged to ask God to speak to them in the walking."

www.deceptioninthechurch.com/promo-tenewage.html

In RICK WARREN'S Purpose-Driven Life, on Day Eleven, he encourages people to practice "BREATH-PRAYERS" by repeating words and

phrases over and over in a mantra-style prayer, a practice used centuries ago by a group of mystical monks known as Desert Fathers. This so-called "prayer" is IDENTICAL to that found in Hindu yoga and Zen Buddhism.

intentions are regarding Israel and the Old City of Jerusalem. It will reveal which Israeli politicians made certain commitments to the Vatican regarding the issue of sovereignty in the Old City of Jerusalem. These negotiations and meetings were all carried out in secret. During this time period, 1992 1995, the Oslo Accords got all the public's attention. Oslo was like "throwing sand in the eyes" of the public. The Vatican is where the real action was happening. Oslo seemed to be just the cover story. A "red herring," if you will.

What Does the Vatican Want?

It can't be that the Vatican is only interested in "access to their Holy Sites" in Jerusalem. They already have that, as well as legal jurisdiction under Israeli law for their institutions and assets in Jerusalem. Also, when these "Holy Sites" were under the jurisdiction of the Jordanians from 1948 1967, no pope demanded the "internationalization of Jerusalem;"

It is something else which the Vatican wants. The Roman Catholic Church needs to have a certain version of events to be played out for them in order to stand in front of mankind and proclaim; "Our Messiah has returned." [I believe this will be the false Messiah the Antichrist.] This is the goal of the Vatican, and this is what all Israelis need to worry about.

The Vatican's version of events is this; They know this isn't the end of the story that the Jewish God had in mind, but that doesn't mean they won't try and engineer their own ending to

the story. So what if it is fraudulent? It doesn't matter. That is their game plan and that is what matters and that is what Israeli Jews need to be better informed about. It is important for everyone to know what the Vatican has up its sleeve because it directly relates to Israel's existence and its future destiny as an independent nation. This is a very powerful force that is scheming to get control of the Old City of Jerusalem, so Israelis better know why and how the Vatican intends to do this. Once we have all the facts and the chronological record, we will be better informed to deal with this issue and of foreign control over Israel's political existence and destiny.

First, you have to realize that for centuries the Vatican has attempted to obtain control of Jerusalem, which started with the Crusades. For them to convince the world that the Messiah they [will] put on the world's stage is going to be accepted as genuine, they need to perform this play in the Old City. The story of this production is that this "Messiah" will merge the three monotheistic religions, usher in peace and harmony in the world and solve the Middle East conflict. The location for this "production" will be in none other than the Old City of Jerusalem.

Joel continues by saying that this so called "Messiah" that will be proclaimed, will be a false one and will insist that by having a "world government" (i.e., the United Nations) world peace and harmony will be ushered in. This will be a lie, and a fraud, but never mind. In our world, reality isn't

important. Public perceptions are. The end result is the stripping of Israel's sovereignty as an independent nation, giving way to a "regional bloc of nations" in the Middle East. Israel will be pressured to accede to these demands by all world bodies and the superpowers on the claim that "this is the only way to solve the Middle East conflict. In order for the Jews to go along, they will convince them that with the "Messiah" having appeared to the Jews, it is time to start rebuilding the Third Temple what they call "Solomon's Temple..."

Make no mistake about it. The Old City of Jerusalem, as well as most of the eastern half of the city, is what the Vatican is after. Why? Because controlling the entire Old City of Jerusalem (not just Church properties) and being able to build whatever they want on Mount Zion, is critical for the program they have planned to put into play in Israel's capital city. The deal that the Vatican has signed with Israel via Yossi Beilin and Shimon Peres (in secret and without the approval of the Knesset) gives the Catholic Church not only extraterritorial status to their properties (which is what the bi lateral agreement the Israeli government signed with the Vatican on December 30th, 1993, put in law) but control over the entire city as "custodians" under UN presence. In this way the Jews will give up control over the Old City. Giving it up to the Vatican, the Israeli people would have a problem with. But giving it over to the UN, they would say, "we had no choice."

According to Joel Bainerman, the "**CHRONOLOGY OF EVENTS**" for the Vatican's conquest of the Old City of Jerusalem is as follows all of which can be verified.

Let's begin with October 1991.

On October 12, 1991, the head of the World Jewish Congress, **Edgar Bronfman**, was appointed head of the International Jewish Committee of Inter religious Consultation, to conduct official contacts with the **Vatican and the State of Israel**.

On March 17, 1992, Jerusalem Mayor Teddy Kollek said, "The Israeli government should meet the Vatican's demand to apply special status for Jerusalem"

On April 1, 1992, the Vatican announced that it "favors a Labor [Party] victory" in the June 1992 general elections in Israel.

On April 15, 1992, Cardinal Joseph Ratzinger [now Pope Benedict XVI], one of the highest ranking diplomats at the Vatican, visited Israel for the first time, but he only met with Jerusalem Mayor Teddy Kollek.

The story of the Catholic Church's attempt to take the Old City of Jerusalem from the Jews [formally began] in July 1992. According to the information on the Foreign Ministry website, literally from the moment the new Rabin led Labor government took over from Yitzhak Shamir's defeated Likud party, secret talks with the Vatican and the State of Israel began. [Yitzhak Rabin was a prominent Freemason. That information was actually given in his obituary in the *Jerusalem*

that Rome's claims are not legitimate and that the literal interpretation of Scriptures is correct. There is no place for the restoration of the nation of Israel in its theology. How can the Vatican claim to be "the New Jerusalem" and "rightful heir to the Kingdom of God" if the Jews control Jerusalem? How is the Catholic Church going to convince the world that its version of theology is correct?

The Vatican is going to have everyone believe this "mysterious individual who will 'unite the faiths' and appear in Jerusalem, which will be under the control of an authority headed by the Vatican;" The deal to have the Vatican come into Israel and take over these properties and to "control and dominate the Old City of Jerusalem" already exists and has been fully documented and reported in the world's media.

The end goal of the Vatican is to seize control of the Old City of Jerusalem out of the clutches of the State of Israel. To that end, they have a secret agreement with Israel which obliges Israel to respect the "extraterritorial" claim to their physical presence in the city. In short, we have accepted the Vatican's rights to have little Vatican sovereign embassies throughout our eternal capital of Jerusalem. That same Vatican has committed itself, in public and in a written agreement, to ensure that the Palestinians have sovereignty in the Old City of Jerusalem.

The public record shows a secret deal has already been conducted behind the backs of the Israeli public

whereby the Vatican was promised to take over the Old City. There is ample proof in the public record to prove that a secret deal was done with the Vatican by two Israeli government representatives, Yossi Beilin and Shimon Peres. As it was concocted covertly, it can't serve the Israeli public but someone else. Thus, these agreements need to be made void and nullified.

It doesn't matter if religious Jews or Israelis think that "Catholic theology" is "strange looking" or extremely "ritualistic" What matters is that all Israelis understand that the Vatican has a secret agenda and it includes stealing the Old City of Jerusalem away from the Jews. That is what you need to know and understand

[This is a lot of information to digest. I like to think that I am fairly well informed on developments in the Middle East, but I knew very little about these events until recently. All of this has been going on right under our noses.

The deal is practically done. All the Antichrist has to do is step on the scene and claim that he put this "peace plan" together, and people would likely give him the credit. But the groundwork has been laid; much of it is done.

I am personally convinced, beyond a shadow of a doubt, that one day the Vatican will either endorse or actually put forth the Antichrist. I also believe that the Church of Rome is the chief driving force, and therefore Satan's lead vessel in bringing about the one world system described in

the agreement is "recognition by the Catholic Church of the Palestinian claims to the eastern half of Jerusalem..." The agreement calls for Jerusalem to be "an international city based on international resolutions and on an international guarantee..."

✠ In March 2000, the Pope visited the Holy Land and repeated the Holy See's insistence that "international oversight 'a special statute, internationally guaranteed' would best safeguard the city's holy sites and all its religions. The city of Jerusalem is the main obstacle to peace in the region..."

✠ In a speech to the United Nations on October 30th, 2000, Archbishop Renato Martino declared, "The 'unique character' of Jerusalem as a city sacred to three great religions makes it essential that religious leaders, not politicians, control the holy sites;" In his meeting on October 26th with Fouad Aoun (the Lebanese Ambassador to the Vatican, Pope John Paul II again said that the city of Jerusalem should be given "specially guaranteed international status."

✠ In January 2001, Israeli TV journalists secretly filmed under the Shrine of Omar [or Dome of the Rock], the 7th century Islamic building which may have been deliberately constructed over the Holy of Holies, the most sacred prayer room of the ancient Jewish Temple. The video revealed a new and massive tunnel aimed directly at the most sacred core of Solomon's and later, Herod's Temples. During the Crusades, the early 12th century

chivalric order, The Knights Templar, dug under the ruins for nine years and found a network of tunnels where the Jewish priests hid their treasures from the marauding Romans in 70 AD. It was also assumed that the original records of the Jerusalem Church, which prove that the Vatican is not practicing Christianity as its founders had intended, was buried in this spot. A pope with exclusive rights of divine interpretation was not part of God's plan. If these scrolls were made public, they would jeopardize Rome's legitimacy. Thus it is imperative to the Vatican that the Jews be removed from the Temple Mount so that they don't find these important scrolls. The PA is serving as the Vatican's "building contractors" in this arrangement in the hope that the Vatican will side with the Palestinians in the conflict with Israel

[I just want to add that most recently, in December of 2006, Israel's Prime Minister Olmert met with the Pope in Rome; and within the last few months Shimon Peres also flew to Rome and had further discussions with top Vatican leaders. Things are moving right along! Here is Joel Bainerman's summary, with which I completely agree]:

For centuries the Vatican has been pushing its "replacement" doctrine which states that the Catholic Church has replaced Israel as "the New Israel;"

The Roman Catholic Church wants Israel to lose sovereign control over the Old City of Jerusalem... If Israel controls Jerusalem, it is evidence

Post. And I'm told that Shimon Peres is a Freemason as well, but I cannot document it.] What precipitated these secret talks? Who arranged these talks, and why? Why were they kept secret from the Israeli public? What was the end result of these agreements? And where do they stand today? This entire subject of Israel's bilateral relations with the Vatican is intentionally kept locked away in secrecy. It is no wonder that nobody in Israel knows much about "IsraelVatican relations" as it is never reported on in the Israeli press.

The official story of the origins of Israel's "secret channel contacts" between Beilin's negotiation team and the Vatican comes about as a result of Shlomo Gur, a personal aide to Deputy Foreign Minister Yossi Beilin, who knew someone who put him in touch with Father David Jaeger. Father David Jaeger was president of the Catholic Court in Austin, Texas, and was brought up as an Israeli orthodox Jew who then converted to Catholicism and became a Father (not something that has happened to many Israelis who grew up Orthodox). From there, which according to the information on the Israeli Foreign Ministry website was in July 1992 right after the new Rabin government took over power, nothing [publicly] is known about the discussions until the agreement is signed on December 30th, 1993. There was nothing in the Israeli press. ...

✠ The document which was used as the underlying ideological basis for the Vatican's secret deal with Yossi Beilin and Shimon Peres was

personally authored by Beilin. [This document called] "The Illegitimacy of Israeli Sovereignty Over Jerusalem," outlines the Israeli government's program for the future of Jerusalem and calls for the division of the Old City into cantons whose border posts will be under UN control.

The plan which led to the December, 1993 agreement between the Vatican and the State of Israel was originally discussed in November 1992 at the exact same time the first meetings in London took place to discuss an agreement between Israel and the PLO which led to the Oslo Agreements. The real goal was the Vatican attempt to take over the Old City of Jerusalem. Oslo, or, "peace between Israel and the Palestinians" was just a good cover story to hide what was really going on in another sphere of Israel's foreign affairs.

✠ On the 10th of September, 1993, just three days before the signing of the Oslo Accords in Washington, the Italian newspaper, La Sfampa, reported that then Foreign Minister Shimon Peres concluded a secret deal with the Vatican to hand over sovereignty of Jerusalem's Old City to the Vatican. The agreement was included in the secret clauses of the "Declaration of Principles" signed on September 13th, 1993 in Washington, DC. [By the way, Peres is on the board of directors of Mikhail Gorbachev's organization Green Cross International. Gorbachev has been the central figure involved in negotiating a Middle East water treaty behind the scenes between Israel, Jordan and

Lebanon.]

In the same week that Peres the Israeli Foreign Minister who was also the chief Oslo architect signed the Declaration of Principles with Yasser Arafat in Washington, the Israel-Vatican commission held a special meeting in Israel. Under the Vatican agreement, the Israelis would give over control of the Old City to the Vatican before the year 2000. The plan also called for Jerusalem to become the second Vatican of the world with all three major religions represented, but under the authority of the Vatican. Jerusalem will remain the capital of Israel, but the Old City will be administered by the Vatican [under this agreement].

Arafat agreed to the plan just before the famous "handshake" in 1993, but when he realized that the Vatican was also going to let Israel share in the Temple Mount, he rejected it. To finally get Arafat and the Palestinians "on board," on February 14, 2000... the Vatican recognized the Palestinians' claims to East Jerusalem.

...

■ In November 1993, a report appeared in the Jerusalem weekly newspaper *Kol Hair*. It revealed that, for the past six months; the Israeli government has been taking advice on the future of Jerusalem from a planning commission headed by a close aide of Teddy Kollek, Raanan Weitz, formerly the settlement director of the Jewish Agency. At a secret meeting on September 9, 1993, one day before Prime Minister Rabin signed the recognition agreement

with the PLO in Israel, the forum met secretly and approved in principle a plan for Jerusalem concocted by Weitz, which he calls, "metropolitan Jerusalem."

■ Then, with absolutely no media coverage in Israel, on December 30, 1993, an "historic agreement with the Vatican" was publicly acknowledged. Called "The Fundamental Agreement Between The Holy See and The State of Israel," it declares:

Mindful of the singular character and universal significance of the Holy Land. Aware of the unique nature of the relationship between the Catholic Church and the Jewish people, and of the historic process of reconciliation and growth in mutual understanding and friendship between Catholics and Jews...

Having decided on 29 July 1992 to establish a "Bilateral Permanent Working Commission," in order to study and define together issues of common interest, and in view of normalizing their relations...

Already within one month of [the Rabin administration] taking power, there was a special committee to further "Israeli Vatican Relations" From where did this initiative come so soon after the new government took office?

■ In April 1994, Deputy Mayor of Jerusalem Shmuel Meir announced at a Jerusalem press conference that he had received information that properties promised to the Vatican in Jerusalem would be granted extraterritorial status. On early 1996, Meir was killed

in a very suspicious car crash whereby the driver, who drove a **UN truck** into Meir's car, was not even charged.)

■ In May 1994, Marek Halter, a French intellectual/philosopher and a close friend of Shimon Peres, told the Israeli weekly magazine, *HaShishi*, that he personally delivered a letter from Peres to the Pope in September 1993 in which Peres promised to internationalize Jerusalem, granting the UN political control of the Old City of Jerusalem, and the Vatican hegemony of the holy sites within. The UN would give the PLO a capital within its new territory and East Jerusalem would become a kind of free trade zone of world diplomacy.

■ On June 15, 1994, the Israeli government signed an agreement with the Vatican allowing the Catholic Church to participate in negotiations to determine the future of Jerusalem.

■ On July 9, 1994, the Vatican's Foreign Minister, Jean Louis Tauran, announced in Amman, Jordan, "Before territorial problems are resolved, we have to find international guarantees to safeguard the uniqueness of the city and assurances that never again one party should claim Jerusalem as its possession."

■ In November 1994, Israel signed a peace treaty with Jordan which, according to reports in *Haaretz*, *Maariv*, and *Yediot Achronot*, included secret clauses concerning water and Jerusalem. The agreement had been negotiated in London eight months before between Rabin, King Hussein, and Lord Victor Mishcon. As part of

the agreement, Jordan would receive control over the Islamic Holy Sites within a Vatican controlled Old City of Jerusalem.

■ In March 1995, a cable from the Israeli Embassy in Rome to The Foreign Ministry in Jerusalem was leaked to radio station *Arutz Sheva*, confirming the handover of Jerusalem to the Vatican. Two days later, the cable made the front page of *Haaretz*. In the widely distributed minutes of a meeting with President Clinton in 1997, Peres ended the cable with the words, "as I had previously promised the Holy See."

■ In April 1995, member of Knesset Avraham Shapira announced in the Knesset that he had information that all Vatican property in Jerusalem was to become tax exempt and that large tracts of real estate on Mount Zion were given to the Pope in perpetuity.

■ In February 1996, a delegation from the Vatican met in Jerusalem with Palestinian Authority Religious Affairs Minister, Hassan Tahbob. Father Serge Sebastian, Secretary General of the Vatican, announced that the Holy See recognizes Palestinian sovereignty over East Jerusalem

■ Hedging his bets by having bilateral agreements with both sides in the Arab Israeli conflict, on February 14th, 2000, Pope John Paul II met Arafat in Rome to sign an accord to normalize relations between Roman Catholic churches in Jerusalem and the Palestinian Authority. Palestinian Legislative Council Speaker Ahmed Qurei, told *The Jerusalem Post* that
