"..Stand fast in the Lord.." Phil. 4:1

EDITORIAL June - 1999

From Wendy Howard.

MARANATHA - the Lord Cometh!
Who knows but this could be the last Despatch, as the Lord Himself might take us before the 11:3 issue eventuates! It appears quite a possibility that the Rapture could happen any day now. We urge you all to be diligent in speaking to others about their need of the Saviour, to be left behind would be a horror we cannot even imagine. Prayer for the lost in families and neighbourhoods is imperative. Cry unto the Lord for the souls of your loved ones, they have been especially given to you by the Lord. It is not selfish to care more for their souls, it is understandable, and I believe God ordained that we should be in that particular family group. They are your family, they have been chosen by God to be your loved ones.

This Despatch will be a hard one for some. We have "bitten the bullet" and decided before the Lord to deal again with the apostasies which are hitting the churches through the Messianic Movement and the Hebrew Roots Movement. Not popular with all readers, but address it we must! Read prayerfully and carefully. The Lord Jesus Christ is ALL, the Son of God came, and He has surmounted Judaism for-

Large meteor hits outback.

It was last Friday night, at 9.30. Lajamanu is 500km south of Darwin - but the meteorite was seen as far away as Alice Springs, where a truck driver heading north out of town watched the celestial payload progressing and disintegrating from east to west across the sky. He quickly reported it to the Meteorite Hotline in Melbourne.

Hotline operations manager Ross Dowe said the meteorite took about 30 seconds to cross the sky:

"Which indicates to us it was enormous."

It is not certain whether the explosion and tremors, which came from just west of the town, were caused by sonic boom or the meteorite hitting earth. On Saturday, Lajamanu store manager Jim Butler took a light aircraft with spotters and zig-zagged over a big area looking for signs of impact.

EDITORIAL

CONT'D FROM P. 1.

ever. Praise His Name:

"For ye have not come unto the mount which cannot be touched, and that burned with fire, nor unto blackness and tempest,

And the sound of a trumpet, and the voice of words, which voice they that heard entreated that the word should not be spoken to them any more....

But ye are come into mount Zion, and unto the city of the living God, and heavenly Jerusalem, and to an innumerable company of angels,

To the general assembly and church of the firstborn, which are written in heaven, and to God the Judge of all, and to spirits of just men made perfect.

And to JESUS the mediator of the NEW COVENANT and to the blood of sprinkling that speaketh better things than that of Abel." (Hebrews 12:18-24).

The whole scene now on the planet is bursting with events that could change the world into a New Age kingdom at the drop of a hat! Despatch has dealt with just a few, there is no space of course to even attempt a run-down. Everything is in the process of change, just as the Bible predicted that it would be in the last of the Last Days. No more do many attempt to challenge the stupendous events. Our country is right in the thick of it all. Kept looking unto Jesus, Who is the Author and Finisher of our Faith:

"Looking unto Jesus the author and finisher of our faith, who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God." (Hebrews 12:2).

"Now the God of peace, that brought again from the dead our Lord Jesus, that great shepherd of the sheep, through the blood of the everlasting covenant.

Make you perfect in every good work, to do his will, working in you that which is well-pleasing in his sight, through Jesus Christ; to whom be glory for ever and ever. Amen."

THERE ARE ONLY SIX MONTHS BEFORE AD 2000.

The next six months should be a time, we believe, of considering before God the various areas of our lives. Are we spiritually prepared for anything that happens? Are we prepared sensibly for a possible recession, or an economic melt-down, should it occur with Y2K? This is the time to pull in our belts, batten down the hatches, stock up the larder and forget about those luxury items. Even if Y2K turns out to be a fake crisis, designed to scare us all into accepting the NWO and its agenda, we could still face crisis. People are already getting the message, outside of Christian circles, and our mints are printing large amounts of cash, in view of a possible run on the banks! This could happen whether there is a disaster due to Y2K or not! A collapse of the banking systems may result - to play right into the hands of the globalists who want a cashless world society? All these "disaster" events may well be the "kick-start" of the Global Government, NWO.

☹....Have we sent those Gospel tracts to the relatives we have been praying for?

☹....Are we supporting Christian ministries that are working hard for the Truth, and are presented the Gospel to others?

☹....Are we having a devotional time every day, and praying diligently for our towns, cities, the nation and the world?

☹....There are multitudes who are in danger of accepting a counterfeit "Christ" or "Messiah." Are we praying for the Jews?

This Despatch cannot deal with the amazing scope of events happening right now.

How easy it would be to just sink down into apathy and lethargy, and try to enjoy life to the full - while there is still time. We are human beings, and cannot help being overawed by the magnitude of the times in which we live. But enjoying life, going on walks in the sun, having dinner out, buying a nicer car, going on a holiday trip etc. will not be the answer for you in the long run. This could well be the time when God expects you to evaluate your whole life before Him, and repent of careless living in a more serious manner than you have ever done before. None of us want to be ashamed at His coming for His Church:

"And now, little children, abide in him; that, when he shall appear, we may have confidence, and not be ashamed before him at his coming." (1 John 2:28).

CCM/ROCK GROUPS PERFORM FOR POPE VISIT -

Many CCM/Rock musicians joined in the festivities that preceded the pope's arrival in St. Louis Jan. 26 for the "Light of the World" youth gathering. Audio Adrenaline and others played outside the center where the pope was to speak. The Supertones, Rebecca St. James, and dc Talk played inside the center (BJU's What In The World!). The raucous rock concert/pep rally had priests and nuns dancing and swaying to the throbbing beat of rock bands.

SUDAN PERSECUTES CHRISTIANS.

Western media are not interested in religious persecution in Sudan, "the largest country in Africa which still practices crucifixion." (3/99 Imprimis) He said: "After enduring over forty years of civil war, the predominantly Christian population in southern Sudan is subject to torture, rape, and starvation for its refusal to convert to Islam. Christian children are routinely sold into slavery. Muslims who dare to convert to Christianity are faced with the death penalty." In the last 15 years, Sudan's death toll is far greater than that of Rwanda, Bosnia, and Kosovo combined. Yet we fight to protect Muslims in Kosovo, while Muslims torture, enslave, and kill Christians in Sudan and other places.

FORCED ABORTIONS IN CHINA -

China's one-child-per-family policy causes abortions and infanticide and results in few females. Only allowed one child, a boy is preferred, and even older little girls are sacrificed if their mother becomes pregnant with a son (4/12 New Am.). Every female of child-bearing age is required to visit a family-planning inspection center three times per year (4/10 World). If she has one child and doctors determine she is pregnant again, she is forced to have an abortion - sometimes taken away in the middle of the night for it.

PARLIAMENT OF WORLD'S RELIGIONS:

The editor of Despatch has been invited to be a delegate to the next Parliament of World's Religions, December 1-8, 1999. This will be held in CAPE TOWN, South Africa. Delegates must pay their own costs and airfare. This could well be a worthwhile visit for Wendy Howard, as the parliament is immensely powerful. The activities behind the scenes will never be revealed by the churches or the secular media! Just as Despatch gave vital information from the WCRP assembly in Melbourne, Religion and Cultural Diversity Conference, 28-30 July, 1997, so we could now reveal many hidden matters from the Parliament in Cape Town as well. We are seeing, we believe, the rise of the Antichrist system through the religious power of the One World Religion. This parliament could well be the most significant event we have seen in our lifetimes (in a negative sense), in regard to Biblical prophecy (Revelation 17). Perhaps God's people will be gone in the Rapture before December 1999. If not, we could well benefit from knowing what occurs at that Parliament of World's Religions - seen through the eyes of a saved believer, from our own country. Who will be there from Australia? What are they really saying and planning? What is the agenda, religiously, that they are in Cape Town to set in motion?

Please pray about this, Wendy needs to know the will of God in the matter. It could well be dangerous to go to Cape Town, given the times and events of the world at present. ➡

GORBACHEV VISITS AUSTRALIA!

MINI-DESPATCH
May 27, 1999.

W. B. Howard...
Editor of Despatch Magazine

This May, 23rd, 1999, Mikhail Gorbachev spoke in Brisbane! With him was General Schwarzkopf, of "Stormin' Norman" of the Kuwait desert war fame. They both spoke at the World Masters of Business event, held at the Brisbane Entertainment Centre. People who wanted the best seats paid nearly \$1000 for the privilege. Three full-time guards trailed the Russian at every step.

Well, our media has made a stupid evaluation of Gorbachev and his importance these days. In the article "Hail Yesterday's Heroes" on pages 64,65 of the Sunday Mail, 23rd May, the writer made Gorbachev appear as rather a "has been" riding on the wave of remembered power and fame. Nothing could be further from the truth, ➡

* FROM BULGARIA:

Contact was made with Endtime Ministries by a film maker in Bulgaria. He tells of UFOs being seen by many in the Kosovo and Serbia area. Our Internet Website contains much info. on UFOs and ETs. The man has taken our material on Biblical prophecy and Biblical information on Nephilim, demon, activity on the earth, in regard to UFOs and ETs, per the Old Testament and New Testament revelations, and is making a evangelical film with our material included. Praise the Lord to be able to inform others and to warn them. We give all our work free of charge, we are only too pleased to see this use being made of the writings and charts onsite.

Please pray for this endeavour, as we have already heard of the suffering of the family of this believer, as well as suffering for himself. This began to happen only as he has sought to use our material! PLEASE PRAY FOR THEM. We cannot give names or addresses. He does not live in a "free" country like our own. 

in reality. What is going on in our country? Gorbach spoke in Brisbane, Melbourne, Perth and Sydney. He also spoke in New Zealand, in Auckland. Gorbach is a powerful New World Order leader who has immense influence and power - TODAY, not just yesterday.

We now have a United Nations control centre planned for the top of Australia (Darwin) and the bottom of Australia (Melbourne). The United Nations big wig, Gorbachev, is indoctrinating and manipulating people across our major cities. I don't like it at all!

Just a few details about Mikhail might make our readers think a bit about the implications of this strange visit of his, not to mention Schwarzkopf another NWO mouth-piece if there ever was one.

Here is a quote from "Hope for the World", Spring, 1999, by Gary Kah (cover page, taken from his new book, "The New World Religion The Spiritual Roots of Global Government")

"During the 1990s, the efforts of New Age activists have continued to intensify, with occultists increasingly pushing their agenda for global unity under the banner of environmental reform. In fact, many of the 'successful' one-world meetings of the last ten years have convened for the alleged purpose of solving the environmental crisis. This chapter will take a look at a few of these notable gatherings, including the 1992 Rio Earth Summit. A review of these events and the people behind them will help the reader understand the real purpose and nature of the New Age environmental movement.

Among those at the forefront of this movement, there is one individual who stands out more than any other. Believed by many to have fallen from the political scene with the collapse of the Soviet Union, he currently wields more power and influence in shaping the future of the world than perhaps any diplomat of our generation. Yet strangely, most of us are not even aware of his influence, let alone that he has risen to the top of the one-world movement. ➡

His keen sense of timing and political prowess have enabled him to forge alliances where others before him have failed. His friends include many of the world's most adept politicians, financial power brokers, and religious leaders. The person of whom I am speaking is Mikhail Gorbachev."

WHY WAS GORBACHEV HERE IN AUSTRALIA & New Zealand?

This is THE powerful man of the New World Order! Coming to us dressed in sheep's clothing!

Here are some quotes from the leader himself

"I am not ashamed to admit that I am a Communist, and will be one when I go to another world."

(Mikhail Gorbachev. As quoted by Dmitry Mikheyev, *The Rise and Fall of Gorbachev* (Indianapolis, IN Hudson Institute, 1992. p.47).

"We see socialism as a system of true equality of all actions and nationalities, a system in which they are assured social and spiritual advancement and mutual enrichment, in which there is no room for any strife between nations, for nationalist and chauvinist prejudices, and in which internationalism and the fraternity of nations rule supreme."

(Mikhail Gorbachev, *Documents and Materials*, p 92).

"I want to say categorically ... that we shall continue to develop all truly socialist values, and firmly eliminate everything that distorts revolutionary theory and the image of socialism." (report by Mikhail Gorbachev, General Secretary of the CPSU Central Committee at the 19th All-Union Conference of the CPSU, Documents and Materials. Washington, DC Embassy of the Union of Soviet Socialist Republic, p.90).

QUOTE FROM WILLIAM NORMAN GRIGG, "Freedom on the Altar" page 6. (Publisher, American Opinion Publishing Inc.)

"Another, and arguably even more audacious outline for the UN reform, is the 'Global Secu-

rity Programme' (GSP) put forth by the Gorbachev Foundation. Mikhail Gorbachev, an erstwhile Soviet dictator, is an unpunished mass murderer whose policies killed millions of innocent people in the Soviet Union, Latin America, Africa, and Asia. In other words, he is exactly the sort of person whose policy recommendations would find a receptive audience at the United Nations.

Gorbachev's GSP calls for the disarmament of all nations, the strengthening of UN law enforcement authority, the involvement of UN officials in 'diversity' initiatives and 'conflict resolution,' the development of UB-directed initiatives in history revision to 'revise incorrect or tendentious versions of the history of inter-group relations,' and the creation of a 'United Nations General Assembly Commission for the Prevention and Resolution of Conflicts' - a 10-15 member elitist body, presumably composed of august personages like Gorbachev himself, which would 'keep a worldwide watch on potentially conflictual situations' and supervise prevention. (Global Security Programme, Final Report Gorbachev Foundation/Moscow, Gorbachev Foundation/USA, and Rajiv Gandhi Foundation, October, 1994, pp.10-15.)"

Tim Cohen, author of *"The AntiChrist and a Cup of Tea"* [see the Power Plays chapter], states that , officially, Gorbachev did not actually start the GSP. The real culprit was Prince Charles himself. Gorby is the figure head and chosen spokesman. The plot thickens. <http://www.prophecyhouse.com>

Do you realise, Australian, that Mikhail Gorbachev's Global Security Programme, which is a blueprint for empowering the United Nations, includes a proposal for the creation of a "transnational Network of Citizen Action Group. The document recommends, as well as other actions, that political leaders should

"express contrition for the infliction of past hurts on a victimised group."

Consider the "apologies" being forced upon our own political leaders re the aboriginals in this land! Yes, we are sorry for suffering, all of us are. But for global leaders to wield such power

over national governments is chillingly sinister!

We must suppose that Gorbachev is exempt from his giving apology for his own persecution of Christians, Jews, Moslems and the indigenous peoples of the former Soviet Republic.

Consider that our own Premier Beattie in Queensland issued a mushy and emotional "sorry" to our indigenous peoples at the same time as Gorby was in Queensland. Are we to assume that this was coincidental, and that the NWO leader didn't visit Beattie for manipulation reasons? It appears to this writer that we couldn't be that naive.

Gorbachev has adopted all the eco-environmental occult nature beliefs of the New Age! He organised the "Global Forum of Spiritual and Parliamentary Leaders for Human Survival," which brought more than 1,000 political and religious leaders to Moscow. The conference led to the forming of the Green Cross Green/Crescent organisation, through which the evangelist Gorbachev "preaches" the message of Gaia Mother Earth Goddess! Gorby helped compose the infamous "Earth Charter," which has ready to enforce upon us the TEN COMMANDMENTS of the NEW AGE! He declared "There must be a kind of ten commandments for the environment, something that no one would be allowed to violate." Amazing, for God Who created the real Ten Commandments gave no such enforcement for the New Age laws for the environment.

"UN HQ moves a step closer. Melbourne expects to become the United Nations' southern capital, following an agreement with World Bank....Herald Sun yesterday obtained exclusively the UNAA and Committee for Melbourne proposal to create a UN headquarters. The revelations come as the UN procurement agencies hold their annual meeting in Melbourne this week....The national vice-president of the United Nations Association of Australia, Michael Gorton, said the World Bank agreement 'absolutely boosted' Melbourne's chances of winning its bid....A number of possible sites, including the old Royal Mint and Docklands have been examined as possible headquarters."

This means two new UN centres will be here, one at the top of Australia, and the other at the bottom of the continent.

MELBOURNE TO GET THE LARGEST OBELISK IN THE WORLD??

A plan is still in the pipeline to build what is termed "the largest obelisk in the world" in Melbourne. Where do they envision this occult symbol might be build? At the Docklands. Where might the UN centre be? At the Docklands. At the moment too much opposition has been levelled against the Obelisk/Tower for it to proceed, but we will see what the future holds.

WHAT IS AN OBELISK?

It is an occult phallic symbol, used by the occult, Masonic United Nations. A former witch is quoted in Dr. Cathy Burn's book on symbols, "Masonic and Occult Symbols Illustrated," page 341

"The obelisk is a long pointed four-sided shaft, the uppermost portion of which forms a pyra-

mid. The word 'obelisk' literally means 'Ball's Shaft' of Baal's organ of reproduction. This should be especially shocking when we realise that we have a gigantic obelisk in our nation's capital know as Washington Monument."

PANEL CUTS GROULLO'S

DREAM DOWN TO SIZE

By KAREN LYON AND SIAN WATKINS.

The 113-storey Grollo Tower, the dream of the Melbourne developer Mr. Bruno Grollo, has been rejected by a State Government-appointed panel.

The panel, set up to evaluate whether the \$1.5billion project should proceed, found that the Tower's promised contributions to Melbourne were unsubstantiated.

The panel has lodged its recommendation with the Planning Minister, Mr Rob Maclellan, who is expected to announce a decision within the next 10 days.

Mr Maclellan's office yesterday released the panel's report, which questioned the tower's overall benefit to the city.

It said it could not support the removal and demolition of old railway goods sheds to make way for the tower. Heritage Victoria has already rejected an application by Mr Grollo to relocate the two historic railway sheds.

Statistics show that Mr Maclellan accepts more than 90per cent of panel recommendations.

Last night, Mr Daniel Grollo, Mr Bruno Grollo's son and the project manager, said he was confident "that we can satisfactorily address any problem that might be raised (by the panel). This is an international landmark project and we must make sure we get it right".

"We know we will eventually succeed because this project is too good for Melbourne and the Docklands to be shelved," he said.

The Grollos have spent \$5million planning the tower which, if built, would contain 450 residential apartments, restaurants, retail, offices and a ho-

tel. It has about \$2.5million in a trust fund from buyers who have paid \$5000 deposits on the apartments. This will be returned if the project does not go ahead.

Mr Maclellan said he would defer his decision on the amendment until he got more information from the panel on wind effects and urban design issues. He would also get more information from the Docklands Authority on economic and community benefits of the proposal and processes that could be used to resolve the urban design issues.

MELBOURNE IS TO HAVE A MINI-VATICAN IN THE C.B.D. AS WELL

(SEE LAST QUARTERS' DESPATCH MAGAZINE, VOL. 11:1 MARCH, 1999).

Well, Melbourne is sure being targeted by the New World Order and the One World Church by the looks of it.

MEANWHILE, BACK TO BRISBANE.

Members of seven religious faiths have joined forces to establish a multi-faith centre at Griffith University which they hope will be an example of peace and solidarity throughout the world. The leaders were from the Buddhist, Baha'i, "Christian", Hindu, Jewish and Muslim faiths. Aboriginal indigenous elders launched the project this May. The centre will be built at the Griffith Uni. Money is currently being raised for the \$2 million centre with a \$150,000 boost from Buddhist Master Using Ting.

The Project chairman is Uri Thernal. He said

"Religion is often divisive and the cause of conflict, not just in history but right now - we need look no further than the situation in Yugoslavia or in Timor." "Here is a chance to bring all the religions together to discover, through dialogue and learning, a common ground in order to address the issues of our time."

Bilderberg - international interest gathers momentum over "revelations" in The News Sintra "summit" agenda leaked The tentative agenda for the Bilderberg meeting scheduled for June 3 to June 6 at the Penha Longa resort in Sintra has been revealed to The News by an internationally respected and long-serving Canadian researcher on the activities of this group. Amongst matters on the agenda are: Global governance, including a review on the progress in the formation of an Asian bloc under the leadership of Japan; The Kosovo war, including the formation of an "independent" Kosovo; The ultimate replacement of NATO with a Western European Army and the appointment of a Y2K (Year 2000) Czar (Mikhail Gorbachev could be a front runner for this post) to oversee global passage through the Y2K Emergency which they feel will be much worse than expected. Meanwhile, the only official "comment" The News could manage to obtain, was from the Bilderberg European Press Office in Amsterdam, confirming that just one press release will be issued on the first day of the "summit" (June 3).

The News is today publishing, for the first time anywhere in the world, reliable indications of the agenda items

ation and cultural activities as well as a common area for Interfaith dialogue and social interaction."

for this year's meeting. The items on the agenda should however be treated as "tentative" and "flexible", and confirmation from the group itself is not possible due to its secretive nature.

John K. Whitley, an internationally respected researcher into the Bilderberg movement, has sent us what is reliably believed to be the Sintra agenda. The items are as credible as they can be at this late stage and, bearing in mind the secrecy of this group, it could have been already altered somewhat since the last contact was made with a Bilderberger insider. The entire agenda will be printed in the Toronto-based New World Order Intelligence Update later this week at <http://www.inforamp.net/~jwhitley/bild98.htm>

The first point open for discussion in Sintra will be the review of the progress being made in the formation of an Asian bloc under the leadership of Japan. Free trade, a single currency and a political union similar to the European Union is planned for the region. The installation of an American Union is up for discussion, this being similar to the E.U, with a quick review of the scheduled splintering of Canada. This theme was originally scheduled for discussion in 1997, though the proposed break-up of Canada has been reportedly facilitated by the presence of a Canadian media magnate and alleged Bilderberger.

Next on the agenda, and more contemporary, is the Kosovo war. The Bilderberg meeting will include discussions on the formation of a greater Albanian state following "trusteeship" of an "independent" Kosovo, the dismemberment of Yugoslavia (by the return of its northern province, which has 350,000 ethnic Hungarians, to Hungary) as part of a general re-drawing of borders in the region (calculated to continue regional instability and conflict), and the reconstruction worth billions of dollars of the destroyed regional infrastructure at western tax payers' expense.

Another item is the ultimate replacement of NATO with a Western European Army, probably sooner than later due to the bad press NATO has endured over this current campaign. Eff-

orts will be made to speed up the transformation of the W.E.U into a credible European military force initially relying on American back up. This will complete American military disengagement from Western Europe and leave US forces available for wider global policing, if necessary, with W.E.U. backup in return (first reported on the Bilderberg plan in the 1996 Bilderberg report). The key point here is that the Bilderbergers win no matter what happens to NATO - if it survives a little longer, they can use it as an emergency global police force; if it loses credibility over the Kosovo affair, then they just accelerate its replacement in Europe with the W.E.U. which they planned on doing anyway.

Bilderbergers are said to be extremely concerned about the global impact of, and opportunities offered by, the Y2K problem (which the Bilderbergers believe to be far worse than many people have realised). The alleged presence of Bill Gates at the Sintra meeting may substantiate this claim. On the possible appointment of a Y2K Czar to oversee global passage through the "Y2K Emergency" (one name repeatedly coming up as the most likely candidate here is Mikhail Gorbachev, whose international standing would win him ready acceptance).

Other key topics so far are said to be some oil items and financial affairs (IMF, U.S. economy and stock market, gold market manipulation).

With the meeting now only a few days away, nothing has appeared in the Portuguese, European or international media, though the internet is 'alive' with speculation. One international press agency in Lisbon is reported to have said that it has been waiting for the international press to request stories or photos, yet so far not one single request has been received from anywhere.

The wall of silence remains impregnable - almost!
