

# BABYLON & THE EUROPEAN UNION.

The fantastic rise of BABYLONIAN symbols in Europe today makes Biblical prophecy come alive! Thanks to **John Christian** for his input on this material for the graphics & videos.

European Union, comprising what will finally be 27 nations, representing one half billion people. They are essentially the European ignited Nations and are using a common currency called the Euro. They pass from one member state to another with no need of a passport. **The land area covered by the European Union is in a large degree the land area of the old Roman Empire.**

The European Union is a strong coalition of nations that has a unified economic system, an integrated political structures and shared vision for the future and a common language.

It is significant the European Union building in Strasburg, France has on its roof a model of the Tower of Babel. A member of

EU poster to promote European unity. Modelled on Brueghel's 16th. century painting, this poster shows the peoples of Europe rebuilding the Tower of Babel that God destroyed in Genesis 2.

Note the statement 'Many tongues, one voice' inverts God's judgement on Babel!

Note also that the normal European stars have also been inverted [pentagrams, a recognised occult sign], showing the horns and beard of Lucifer!]

**Religious Initiative**, which is the development of the World Church currently headed by Bishop

William Spong of the Grace Cathedral located on Nob Hill in the city of San Francisco. The stated purpose of the **URI is to join hands with the UN** to bring world peace, save the environment, distribute the world's wealth equally among all peoples, build Unity in religion's diversity and promote religious plurality.

The URI had its beginning in February 1993 when liberal Episcopal Bishop William Swing was asked by the UN to host an interfaith service

the European parliament has stated that the "woman on the beast" (Rev. 17:1-4) is the official picture of the EU. The Parliament building of the E1;J in Brussels, Belgium contains a dome with a three times

life size painting of the woman on the beast and a bronze statue of the woman. The massive EU building in Strasbourg, France has a mural of the same woman.

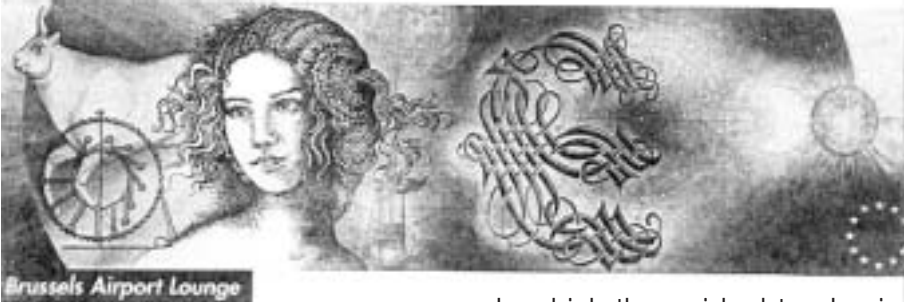

A third matter of prophetic significance is the URI, the **United**

marking the UN's anniversary. In June 1993, Bishop Swing held a meeting in New York with leaders of international, interfaith religious groups and in 1995 sponsored an interfaith youth conference and publicly announced the United Religious Initiative at the UN anniversary.

In June 1996, Swing traveled to meet religious leaders in India, Pa-

kistan, Egypt, Israel, Jordan, Turkey, England, Switz-erland and the Vati-can. At the same time, 55 repre-sentatives of various reli-gions met for talks about organizing the United Re-ligious Initiative From July 1996 May 1937 re-gional discussions were held around the world by Internet to build support for the URI.

June 93-27 delegat from 100 historic reli-gions and 100 spiritual

movements met at Stanford Univer-sity to begin work on

a URI charter. June 1997-May 1998, conference partici-pants returned to their religious Com-munities to discuss the

role which they wished to play in writing the charter. June 1998, a conference to begin to draw up the Charter was held and in June 1998 to May 2000, work contin-ued on the Charter and at the same time they sought to broaden participation.

June 26, 2000, the URI Charter was signed as walking pilgrimages for peace were conducted in villages, towns and cities at various points around the world. The IRI is now an officially chartered apostate coal-ition of world religions. What a hodgepodge of religious confusion.

What does the future hold now that we have the ingredi-ents for a **World Church** and **World Government** in place? The next thing on God's program is the rap-ture of the church.

**Now, for some other thoughts.**

(I) The bloodshed and terror-ism in the land of Israel may

continue after the rapture.

(2) About that time, would it be possible that the UN and the E.U might merge and move the whole operation to Brussels and Strasbourg?

(3) Could the Antichrist arise out of the monstrosity?

(4) Could the URI with the False Prophet move forward to join hands with the world government and direct worship to the Antichrist'?

(5) Could one of the first moves of the Antichrist be to make a peace accord on the mid-east? .... Just thinking ...  
EVEN SO COME LORD JESUS!

## MYSTERY BABYLON THE GREAT.

There are many theories about "Babylon" in

Biblical prophecy teachings today. Some say that "Babylon" in the book of Revelation is the real city that has been rebuilt in the Middle East by Saddam Hussein. Some say "Babylon" is the Roman Catholic Church. Yet others say that

"Babylon" is the union of all religions on the earth. There are others who are sure that "Babylon" is the United European super state that has sprung up in our day. The term "Babylon" has to be understood basically, [we cannot understand it fully as it is a mystery], for us to begin to learn about Biblical prophecy.

**Babylon is mentioned six times in the book of REVELATION.**

- 14:08 - "THE GREAT CITY."  
 16:19 - "GREAT BABYLON."  
 18:02 - "BABYLON THE GREAT."  
 18:10 - "THAT GREAT CITY,  
 THAT MIGHTY CITY."  
 18:21 - "THAT GREAT CITY BABYLON."  
 17:05 - "MYSTERY,  
 BABYLON THE GREAT."

Obviously "BABYLON" refers to a real city, as it is called that four times. It is also called "mystery" as the actual city had and still does have a great and awful influence over all the nations of the world. Religious "BABYLON"

was present in the Tower of Babel, it is the source of all the ghastly profane sacrilege that has been perpetrated on earth! The religious system "Babylon" has been satanic from the beginning.

*[Mere religion is NOT what Christianity is, by the way. CHRIST is Christianity, He is God's revealed Saviour.]*

All religions on the earth today have been tainted with the spirit of **"Babylon"** - religious whoredom against the True God.

See **Revelation 17:2**

for this startling verse:

*"With whom the kings of earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her [Babylon's] fornication."*

**"BABYLON"** in the book of Revelation means many things, it does not have just one meaning. It is the real city that has been rebuilt by Hussein; it is the religious system of the Scarlet Woman on the Beast, the One World Church that includes the Papacy; and it is the power behind the economic and governmental system of the Antichrist or the One World Government. It is all the same spirit, but with various out-workings.

Amazing pictures of what is happening in Europe right now have come to us through a video, [as stated in this issue elsewhere] **"BABYLON"** is rising in mystery supremacy! Long ago the spirit of **"Babylon"** in the earth's inhabitants caused them to rise in rebellion against Almighty God at the Tower of Babel, see Genesis 11. Babel became the commencement of all the languages of the earth. Before the **Tower of Babel** the earth had one language. God confused the languages and gave many tongues in those days after the Tower was built. Mankind was

massing in foolish mayhem against God Almighty, and these ancients had built a huge tower to reach to heaven to show their might. Then God judged them all and scattered the inhabitants of earth into many tribes so that they could not be united, giving people various languages to keep them separate and disconnected.

Today the whole world is crying

**"UNITE or we will perish."**

**"Save the earth,**

**do not be separationists."**

These too have the spirit of **"Babylon"** in their religious beliefs - Theosophy, Freemasonry, neopaganism and dark demonic dogmas and practices.

Today the symbols of **Babel and Babylon** are being shown in the **New World Order!**

Pictures from Europe [previous article] show not only that the Tower of Babel has been built again there, in symbol, but that **"the woman riding the beast"** is being presented as well!

**THE EUROPEAN PARLIAMENT** structure has been built like the Tower of Babel, but deliberately made to appear unfinished, to resemble Breughal's Painting [SEE P.29] **See other Graphics next page...**

*[The Tower will yet show the power of mankind in rebellion against God?*

*However, all is not yet completed?]*

Outside the Brussel's EU Parliament a stature depicts a Woman riding the Beast just like the Bible prophecy in **Revelation 17**.

[See p. 28 this issue.]

**BABYLON** is the Greek form of **BABEL**; Semitic form **BABILU**, meaning "*The Gate of God.*" In the Assyrian tablets it means "*The city of the dispersion of the tribes.*"
