What's Happening to the Faith?

DAVE HUNT ~ BEREAN CALL

Nevertheless when the Son of man cometh, shall he find [the] faith on the earth? (Lk18:8)

Christ raised a solemn question. If we believe Christ's coming could be soon, then we are living in the very time of which He spoke- a time when the faith would be in more danger of disappearing than ever before! Have we grasped the significance of our day and our individual responsibility to proclaim without compromise God's truth and to defend the faith?

Jude exhorts us to "earnestly contend for the faith once [for all time] delivered to the saints" (Jude3). Jude's epistle makes it clear that the faith (i.e., God's revealed truth, the gospel, which every Christian is to believe, obey and teach) never changes, that any revision or compromise thereof must be vigorously opposed and that contending for the faith is the responsibility of every Christian.

Perhaps most shocking is Jude's implication that the enemies of the faith ("certain men") will be influential church leaders. The phrase "have crept in" can only mean within the church; and "unawares" indicates that their betrayal of the faith is, astonishingly, no deterrent to their wide acceptance as Christian leaders!

Christ's warning is reaching its awful climax in our day. Examples are legion. "His Grace, Archbishop Tutu" of South Africa (of great influence worldwide) has declared, "The Holy Spirit

ATTENTION - IMPORTANT DOCUMENT!

It is vital that Christians understand that we are NOT to go back under Old Testament Law in any way! Nor should we keep any Jewish feasts. The Antichrist system of law is becoming so Jewish in flavour that it is astonishing. Yet the Bible warns us that the Antichrist will confirm a covenant with Israel; that he would be accepted by them; and that they would have their temple in Jerusalem taken by the Antichrist for worship of himself. The following document written by Timothy Aho is of extreme importance as we approach AD 2000.

UNDER THE LAW

BY TIMOTHY AHO

The highest judicial body of the United Nations, the World Court is in the process of creating an International Criminal Court (ICC) which will operate without the encumbrance of a Bill of Rights or common law tradition. Increasingly supported by the U.S. and other governments, the U.N.'s Hague

Prince Charles & "A CUP OF TEA"

Our readers will remember that in previous Despatch magazines we mentioned the new book by *Tim Cohen*, "*The Antichrist and a Cup of Tea.*" We have now read that remarkable work by Tim. It has documented so much about Prince Charles which is astonishing, chilling and sinister. We have given our readers details on how they can send for the publication in this issue. It is a MUST for students of Biblical prophecy, and for all those who realize that the Antichrist regime is almost completed in our own day!! A few extracts from the extensive book

THE CHRISTIAN'S SECRET OF A HAPPY LIFE

by Hannah Whittal Smith

Extract:

" ... An old writer says,
'All discouragement
is from the devil'

; and I wish every Christian would take this as a motto, and would realize that he must fly from discouragement as he would from sin.

But if we fail to recognize the truth about temptation, this is impossible; for if the temptations are our own fault, we cannot help being discouraged. But they are not.

The Bible says,

'Blessed is the man that
endureth temptation'

; and we are exhorted to
'count if all joy when we fall
into divers temptations'.

Temptation, therefore, cannot be sin; and the truth is, it is no more sin to hear these whispers and suggestions of evil in our souls, than it is for us to hear the wicked talk of bad men as we pass along the street. The sin comes, in either case, only by our stopping and joining in with them ... But if we begin to think these enticings are actual sin on our part, then the battle is half lost already, and the sin can hardly fail to gain a complete victory.."

BUT CHRIST

What a Friend we have in Jesus! How would any one of us proceed in this wicked world without the comfort and stability of having "a Friend in high places" - the Saviour of our souls. The Lord's compassion, new every morning, is more precious than any of the earthly riches that possess men's existence, and cause them to give not only their own lives, but the lives of others, in order to stuff filthy lucre into the coffers of this evil planet :

"Go to now, ye rich men, weep and howl for your miseries that shall come upon you.

Your riches are corrupted, and your garments are moth-eaten.

Your gold and silver is cankered: and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days.

Behold, the hire of the labourers who have reaped down your fields, which is of you kept down by fraud, crieth: and the cries of them which have reaped have entered into the ears of the Lord of Sabaoth." (James 5:1-4).

The last two months have been times of pressure for us, things are seemingly reaching a climax, the end of the Church Age does indeed appear to be approaching. Lost souls all around us, many have hearts really hardened against the Saviour, relatives who resist salvation year after sorry year. Every little town, every shopping centre has an occult shop, or two or three, relaxation centers and the like abound. Australia was nothing like this 15 years ago. These places are so horrifying, you will agree! Snakes coil around dragons in pictures on the walls, unicorns, ugly fairies, books from the most evil of writers like Edgar Casey and John Randolph Price. That ghastly book "The Celestine Prophecy" is always in these centers. The dress of the shop attendants is enough to make one think we had gone back in time to ancient Babylon! And to see young mums and their offspring flocking in to have their palms read, or to consult a witch with a crystal ball , to indulge in

Aromatherapy or buy an Buddhist idol of some sort, is grievous to any sincere, caring Christian's heart. And where are most of the churches? They are either closed up and are now New Age art galleries, or they are rip-roaring extreme-Pentecostal fiascoes! Here and there some precious pastor stands for the Truth, often just managing to keep his church open, so short of funds is the work because of dwindling congregations - most of the people have run off down the road to "catch the fire" or dance to Rock-Religious "music." They send their money to Rick Joyner to get back a hundred fold for themselves!

The battle is on, beloved of God, our spirits should be lifted up to God in prayer continually - "Praying always with all prayer and supplication in the spirit." (Ephesians 6: 18). Perhaps you too have sensed pressure, irritation, foreboding in your spirit? We need to get relief at once, and understand that the real cause of this is most likely the attacks of the adversary, Satan himself. If we say: "Take away your pressure, devil, and the stress from my mind, and remove the agitation from my nervous system. I know this is not of God and reveals the attack I am under from Satan and his evil hosts. I refuse to go under it, and I claim the completed victory of Calvary for freedom, through Christ's shed Blood. He is my victory! In His Name and the Cross of Calvary, be gone!" - then we will find peace and freedom from this vicious warfare against our nerves and minds.

The magazine this issue deals with many subjects, yet they all add up to one - the emerging Antichrist world domination which is almost down to the last piece of the jigsaw being dropped into place! It has been a huge jigsaw, the piecing of it together has been going on for over a hundred years, really it has been happening since Adam was expelled from the Garden of Eden. Who is on the Lord's side, who will serve the True Ruler of the planet? May our readers and their families answer, "WE will serve the Lord, God Almighty, Maker of heaven and earth!"

This issue there is more news of the giant apostasy going on throughout Christendom! Never have any of us ever encountered such a huge, almost all-encompassing sell-out to Satan! The article by Dave Hunt, stunningly shocking as it is, really only shows the snow on the tip of the iceberg. In the various articles dealing with the Antichrist One World Church, we bring our readers the latest global happenings, as we watch the union of the religions under the devil come into its final form. Lord, move by the Holy Spirit and bring your faithful Remnant into intercession and battle against the enemy, for the salvation of souls.

RADIO BROADCAST - USA.

I was blessed to be interviewed on USA radio on Wednesday May 29th, 1998, across central America. The programme was from Endtime Ministries USA, Irvin Baxter, and I was on air for approx. one hour. It was a good opportunity to warn the world of the terrible inroads of the World Conference on Religion and Peace, going on right now in Australia. Our readers will remember the Melbourne conference from other Despatch reports, and how I attended as a delegate. This whole broadcast in real audio was on their web site for a time. *(We will have the audio from the USA soon, and it will be available then, and also a transcript will be on our web-site/email, as soon as June Swan can type it up for us.)*

Another broadcast is planned with a radio programme which goes across the east coast of the USA. Pray that others will want to be made aware of the dangers of the United Religions thrust of the NWO; people here in our land are slumbering and sleeping, they need to hear about that conference in Melbourne. Cardinal Francis Arinze, who was one of the leaders of that gathering, could well be the next Pope! So much of what happened there has still not been shared with believers here and abroad, the Christians are in peril! Pray that I can inform others who do not yet understand what is occurring. God took me there for a purpose, that purpose was to let the Remnant Church know what is going on behind closed doors!

Despatch has included two booklets this quarter consequently our magazine is slightly smaller.

Another booklet has also been prepared, but will leave that for the next issue - September.

The booklet, **Change Agents in the Church No.5, The 'Expose of Rick Warren's "Purpose Driven Church" and his involving our churches in Covenants'.**

It can be purchased now, see Adverts page) We pray these will be of use to the people of God.

MINI-DESPATCH.

April 28, 1998.

The Courier Mail, News from Brisbane, 18th April, 1998. Source- Queensland Newspapers, Government news :

"Yesterday, at Admiralty House, Sydney, the Governor - General and Lady Deane entertained the Honourable Paul Keating at luncheon.

In the evening, at Sydney International Airport, the Governor General welcomed to Australia His Royal Highness The Prince Philip, Duke of Edinburgh. Later, At Admiralty House, the Governor General and Lady Deane hosted a supper in honour of His Royal Highness, guests at which were the Prime Minister, the Honorable John Howard, MP, and Mrs. Howard. His Royal Highness remained overnight as a house guest."

This notice was in tiny print in the government news section, no mention of these visits in the general media at all! Since both Keating and Prince Philip are heavily involved in the New World Order unity it seems rather significant to us. What is going on? Both appearing on the same day, all very hush-hush. Then John Howard comes along as well. The Governor-General took a major role at the World Conference on Religion and Peace in Melbourne last year. A couple of years ago, Paul Keating, after he lost his position as Prime Minister, was seen late one night on our television sets with Kissinger! Arm around Keating's shoulders, Kissinger was beaming that he had plans of an international

nature for Keating. Prince Philip as a knight of the Order of the Garter is a top-level mover and shaker of the NWO, he is a global elitist within the occult Illuminati. We do not want to seem paranoid, but the meetings on the 18th April do look rather strange, no mention in the papers which "normal" people read, no fan-fair. We only knew about this because Christians who read regularly the tiny government column informed us. *access the site of Prophecy House to read all about Prince Charles, Phillip etc, in Tim Cohen explosive book, "The Antichrist and A Cup of Tea". St Cypriot, if he becomes that, may well have one other claim to fame. It was he who baptised a young Nigerian boy into the church more than 60 years ago - Arinze. The Black Saint who baptised the First Black Pope. Oh yes, it is some scenario and one a modern church might find absolutely irresistible." (End of quote).

Cardinal Francis Arinze, born in Eziowelle, Onitsha on November 1, 1932, is a charismatic figure.

THE NEXT POPE?

The Courier-Mail, Saturday, April 18th, 1998, had a full-page feature on Cardinal Francis Arinze, who also attended the WCRP conference in Melbourne, July last year. Said the feature, on the subject of who will be the next Pope

(LARGE PICTURE OF ARINZE DOMINATING THE ARTICLE):

"But inevitably the spotlight keeps turning back on Arinze, whose qualifications grow. When Pope Paul II was in Nigeria earlier this year he started the process that probably will lead to the sainthood of Nigerian priest Father Cyprian Iwene Tanai. John Paul II beatified him, the first step, and confirmed that Father Cyprian - who died in Leicester, England, in 1964 - once performed a miracle by curing a child of cancer. One miracle is necessary for saint-

When I met him at the WCRP conference in Melbourne I could not help being affected by his personality. Of all the delegates there, and there were certainly some interesting

people attending, Arinze stood out. He was so beaming, with shining eyes, such a calm peaceful, kindly look about him! A medium sized man, with a round face and round gold glasses, his boyish appearance denied his age of 65. This Arinze is a man deeply entrenched in Vatican politics already as President of the Pontifical Council for Inter-religious dialogue, a confidant and adviser to John Paul II. Arinze is an Interfaith expert, a syncretization worker for the unity of all religions in a One World. Could he be the next Pope, a Black Pope? The other favorite for the position, Cardinal Carlo Martini, who is 70, of Milan, could be disqualified because he is a Jesuit, there has never been a Jesuit Pope. Another contender for Pope, Cardinal Joseph Ratzinger, or "Joe the Rat", as he is known as in the Vatican, is said to be the most powerful man in the Vatican. This Cardinal has been the Prefect of the Sacred Congregation of the Faith (or the Inquisition) since 1982.

This "Congregation" has been around for hundreds of years, it is the very organization of the Inquisition, the very same, which put hundreds of thousands to death for refusing the Catholic apostate rule back there in church history! Could we be looking at the False Prophet of Scripture in one of these men, right now? Read about this counterfeit "Holy Spirit" of the fake Trinity in Rev. 17 & Rev. 13:11-14.

BEWARE, WARNING!

"Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils:

Speaking lies in hypocrisy; having their conscience seared with a hot iron. Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth." (I Tim. 4:1-3).

"So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet-coloured beast, full of names of blasphemy, having seven heads and ten horns.

And the women was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:

And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE

MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. And I saw the woman drunken with the blood of the martyrs of Jesus..."

(Rev. 17:3-6).

FROM FOXE'S BOOK OF MARTYRS

This old book tells of those who would not bow down to the apostasies of the Roman Catholic faith back in the inquisition period of the 1500s, we read these shocking words:

"Then they brought a faggot, kindled with fire, and laid the same down at Dr. Ridley's feet. To whom Master Latimer spake in this manner: ' Be of good comfort, Master Ridley, and play the man. We shall this day light such a candle, by God's grace, in England, as I trust shall never be put out.' When Dr. Ridley saw the fire flaming up towards him, he cried with a wonderful loud voice, 'Lord, Lord, receive my spirit.' Master Latimer, crying as vehemently on the other side, 'O Father of heaven, receive my soul!' received the flame as it were embracing it. After that he had stroked his face with his hands, and as it were bathed them a little in the fire, he soon died (as it appeareth) with very little pain or none.

Master Ridley...he desired then for Christ's sake to let the fire come unto him....his brother-in-law heard...heaped faggots upon him....which made the fire more vehement beneath, that it burned clean his nether parts, before it once touched the upper; and that made him often desire them to let the fire come unto him, saying, 'I cannot burn.' Which indeed appeared well; for, after his legs were consumed he showed that side towards us clean, shirt and all untouched with flame. Yet in all this torment he forgot not to call unto God, having in his mouth, 'Lord have mercy upon me,' intermingling his cry, 'Let the fire come unto me, I cannot burn.'" (p.p.309-310).

The "crime" of the early martyrs? They would not confess that the Catholic

Mass was the transubstantiated Body and Blood of the Lord Jesus Christ! They would not take the wafer of the Mass of the Whore of Babylon. There are huge plans afoot for a gigantic eucharist in the year AD 2000, involving 5 billion people! Will we see that Sacred Congregation of the Doctrine of the Faith do similar work in the future, under Joe the Rat?

Part of the emergence of the New World Order's Interfaith plagues?

GOD FORBID!

W. B. HOWARD

I will include here snippets of two emails received from the UK recently.

 " Dear All,
 So now we have a new song by Richards and Chalke, for the Millennium. It is called "Ten New Commandments, by which you will double your congregation by 2000". Did you not know, have you not heard, all you have to do is apply them and all will be well. The "challenge" is backed by - guess who - yes you are right - anybody who is anybody in the heresy movement; headed by none other than your hosts for the millennium, George Carey and Basil Hume. The Pope will no doubt get his name on the ticket soon. When you read the religious press (*I refuse to call it Christian*) it is astounding how many think this is a wonderful initiative. Taken seriously and not like I am doing now, it will save The Church. But hold on a minute, in my obvious naivety, I thought the Body of Christ was about saving souls and glorifying God; but no it is really about getting enough bodies together to make it look like we are winning some kind of game, and of course the money that they will part with..."

Vicar Ian Cook

 Tricia Tillin

Dear All,
 The news just broke (thus is difficult to check out at present) that part of the plans for the Millennium Dome at Greenwich (already discussed in an earlier circular, and on my website) now include a "colossus" standing astride the meridian line on the Dome site.

Earlier reports had sought to play down the sex of the seated statue inside the Dome, though reports had this as a woman.

This new statue (standing 60 feet high) is definitely a woman, though I'd re-

How Popes are really chosen.

ally like to see some more graphics and photos before making up my mind, because from the picture in the Daily Telegraph today it does appear to me to have somewhat pendulous genitalia, and thus could be androgenous (again!!). But this could just be a trick of the light.

A few remarks about this statue (and have you noticed how many huge statues are being built, round the world??):

The design is that of Mark Reddy, and will also be used for the Dome logo, and therefore be on tickets, advertising material, posters and so forth. So this is an important symbol.

I had a quick browse for Mark Reddy's name this morning and what I came up with was interesting. He's the man who designed those awful new-age globalist paintings on all the BA tailfins. YUK.

Also, the name threw up a site dedicated to a religious cult:

"The purpose of the Faith of Bahá'u'lláh is transformation. Bahá'u'lláh has appeared in the world to transform the characters of men and, thereby, build a divine civilization. One of the most powerful tools He has provided His followers for bringing about this transformation is the recital of the verses of God every morning and evening

"We would like to hear about the spiritual transformations you and your family achieve as a result of reciting the verses of God every morning and evening. We would also appreciate your suggestions of other quotations dealing with spiritual virtues that may be included in future editions of this compilation. Finally, we would like to acknowledge the efforts of those who made this book possible. We thank Shohreh Vafai Anand, Robyne Borhanian, Jonathon Byron, Marta Gomez, Heloise Herbert, **Mark Reddy**, Andrea Ulmer, Afagh Vafai, Shiva Vafai, and Irene Witherspoon for their diligent efforts.

Of course, this may not be the same man (yet there were only three references I could find, so that narrows the search). However, IF this is the same Mark Reddy, then we can see from where he draws his inspiration. Another mention refers to the Bahai faith. This Mark Reddy is a spokesman, and again I say, this may be entirely the wrong person. I'm not sure whether the sculptor is English or American. But here is the reference anyway:

"Area members of the Baha'i faith

have launched a campaign to raise awareness and fight the evils of racism. Durango resident Mark Reddy, a member of the Baha'i Faith of Durango and La Plata County, described the campaign Monday as an offshoot of President Clinton's initiative to create a national dialogue on race.

The Baha'i faith, developed in Iran, stresses universal brotherhood and social equality. According to Reddy, there are 30 members of the Baha'i in La Plata County and about 150,000 members nationwide.

Reddy said that while racism does exist in La Plata County, the goal of the Baha'i is not to "identify negative strongholds for racism" but to "create a community dialogue." "In the Baha'i religion the oneness of mankind is the central tenet; that's the object to which everything we do is working toward," he said. "The oneness of mankind is more than a principal but a reality that, until it's acknowledged, there are so many social ills that can't be accomplished."

He said a cable television program titled "The Power of Race Unity" will begin airing nationally Saturday. In addition, a pamphlet titled "The Vision of Race Unity: American's Most Challenging Issue," sponsored by the National Spiritual Baha'is of the United States, is being disseminated to government leaders throughout the country. "

END QUOTE

As time goes by I will try to pin down the exact location and beliefs of Mark Reddy.

ABOUT THE STATUE ITSELF~

it looks aboriginal, the hips and pelvis are exaggerated as if the focus is there. Above the head there is a star, sun or comet being caught in her outstretched hand. This appears to be leaving a trail in an arc above her head.

However, the symbol can be interpreted in many ways. One often sees new-age artefacts with a design of sun and moon, and little wooden suns and moons are on sale in new-age shops. Also, the sun and moon are often used in Masonic/Kabbalistic and Rosicrucian illustrations.

This is because they represent the twin eyes, the twin gods of the heavens, male and female, yin and yang, light and dark - the opposites. Obviously, the two together represent harmony and balance.

Since this statue is going to be striding the meridian, it seems to me a perfect metaphor for world unity - the uniting of east and west. Thus, the arc above her head could be seen as the moon, and the "star" shaped object as the sun.

Nonetheless, even the symbol of the "star-catcher" is intriguing in itself, and the picture of a comet is prophetic in light of Revelation!

No doubt if we could see the illustrations that inspired this statue we would see much more clearly what it means.

...

Mark Reddy who is 45 years old and lives in Norwich according to the Times today.

Mark Reddy sees his statue as a Boadicea for the third millennium and says her square shoulders and athletic frame are inspired by strong women from the ancient British warrior queen to his wife.

He said:

"It is my idea of how women are. They are much more rounded people, much stronger and more capable than most men I know. The mother symbol is much more potent than a male." He said his wife Kate 40 and mother of two, inspired the sculpture. "She is a strong women."

Have you noticed how the mother figure is being introduced into society in many different ways. It is though it is now time to merge this pagan thought into our cultural thinking, almost by default. I have also noticed that recently on t.v. some dramas have veered towards the idea of matriarchal society. I find this to be quite curious and there may very well be nothing in it.

Also have you noticed how many disaster movies there are around just now. Not only natural disasters but also manmade ones, asteroids, ufo abductions, outbreaks of biological weapons within the population etc etc. Something is building up. We are in the lull before the storm.
